Hunters in the Dark Lawrence Osborne

2016-01-12 From the novelist the New York Times compares to Paul Bowles, Evelyn Waugh and Ian McEwan, an evocative new work of literary suspense Adrift in Cambodia and eager to side-step a life of quiet desperation as a small-town teacher, 28-year-old Englishman Robert Grieve decides to go missing. As he crosses the border from Thailand, he tests the threshold of a new future. And on that first night, a small windfall precipitates a chain of events-- involving a bag of "jinxed" money, a suave American, a trunk full of heroin, a hustler taxi driver, and a rich doctor's daughter-- that changes Robert's life forever. Hunters in the Dark is a sophisticated game of cat and mouse redolent of the nightmares of Patricia Highsmith, where identities are blurred, greed trumps kindness,

and karma is ruthless. Filled with Hitchcockian twists and turns, suffused with the steamy heat and pervasive superstition of the Cambodian jungle, and unafraid to confront difficult questions about the machinations of fate, this is a masterful novel that confirms Lawrence Osborne's reputation as one of our finest contemporary writers.

Things Fall Apart Chinua Achebe 1994-09-01 “A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world.”

—Barack Obama “African literature is incomplete and unthinkable without the works of Chinua Achebe.” —Toni Morrison Nominated as one of America’s best-loved novels by PBS’s The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless

Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

House of Leaves Mark Z. Danielewski

2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged,

focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**
