smaller town, Where The Locals Eat identifies the best that town has to offer. Where The Locals Eat is the directory you'll need when you travel anywhere in the United States. It's for people who care about food, and want to sample the best restaurants, wherever they travel. Who knows better than the locals where to get a great meal? It's so logical, it's amazing no one thought of it before: Ask them where they eat! The researchers at Magellan Press spent more than two years talking to local - business and professional people -- in nearly one thousand towns and cities, and finding where they go out to eat. What's the best place for barbecue? Where's a great place to take the family when relatives come to town? What restaurant hits the spot for pizza? For hamburgers? Or for impressing the boss? Where The Locals Eat is the most comprehensive and reliable restaurant guide on the market. It features the very best food America has to offer. With nearly 10,000

recommended restaurants, no other directory even comes close. And, unlike many guides, it's not limited to gourmet restaurants or big cities. Where The Locals Eat will point you to the best restaurants in Boise, Idaho and Trenton, New Jersey, as well as those in New York and Los Angeles. You'll want Where The Locals Eat with you wherever you go. If you drive, put it in the glove compartment. if you fly, slip it in your briefcase. Whether you're heading to Austin or Boston, pack it before you go. And if you want to eat where the locals eat...this is the book for you.
