Eat Like a Local- New York City Eat Like a Local 2020-05-21 Are you excited about planning your next trip? Do you want an edible experience? Would you like some culinary guidance from a local? If you answered yes to any of these questions, then this Eat Like a Local book is for you. Greater Than a Tourist - Eat like a Local, New York City, by Author Alex Auclair offers a local's perspective on some of the best restaurants New York City has to offer. Culinary tourism is an important aspect of any travel experience. Food has the ability to tell you a story of a destination, its landscapes, and culture on a single plate. Most food guides tell you how to eat like a tourist. Although there is nothing wrong with that, as part of the Eat Like a Local series, this book will give you a food guide from someone who has lived at your next culinary destination. In these pages, you will discover advice on having a unique edible experience. This book will not tell you exact addresses or hours but instead will give you excitement and knowledge of food and drinks from a local that you may not find in other travel food guides. Eat like a local. Slow down, stay in one place, and get to know the food, people, and culture. By the time you finish this book, you will be eager and prepared to travel to your next culinary destination.

From Street to Table Christian Lapastora 2020-12-31 In this book, I will share with you a few street food spots I have personally experienced along with recommended meals from the owners. Most of my encounters have been filmed and can be seen on my YouTube channel or social media pages --eatlikeanapex. There are so many street food vendors, food trucks, and festivals in the Bay Area and I definitely have not tried them all. There may be spots that I have not highlighted in the guide that you may feel should be mentioned so please feel free to contact me on my social platforms or email and I will keep them in mind for next time. Please note that at the time of writing this book (during the COVID-19 Pandemic), the food businesses included here may or may not be at their current location. Check the contact information listed on each featured business page. I hope you will enjoy this guide and use it as a reference for when you visit the SF Bay Area.
