

# Revelation A Mid Tribulation View

**Church and the Tribulation** Robert H. Gundry 2010-08-03 In the opening chapter, Robert Gundry states, "It is hoped that the following pages will contribute to an understanding and appreciation of the posttribulation position and that it will do so in a manner characterized by 'wisdom from above. . . First pure, then peaceable, gentle, reasonable, full of mercy and good fruits, unwavering, without hypocrisy' (James 3:17)." In keeping with this expressed desire, the author presents his thesis regarding Christ's second coming, not as a polemical argument, but as a reasonable and tenable position. This book propounds the thesis that Jesus will return after the tribulation and that the first resurrection will occur at that time. Dr. Gundry believes that biblical evidence points most naturally to this conclusion. Because of his discerning analysis of Scripture, his careful logic, and the thoughtful presentation of his views, he is one of today's leading spokesmen for posttribulation eschatology.

**Gospelbound** Collin Hansen 2021-04-06 A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. "Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope."—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it's needed most for Christ's glory and the common good. But there's another story unfolding too—if you know where to look. In *Gospelbound*, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice

and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven't heard the whole story. And that's good news.

**Revelation Unsealed** Donald A. Salerno Jr 2004 Finally, a book which simplistically, insightfully and systematically presents an integrated, concrete overview of the 22 chapters, or 404 verses, of the book of Revelation. "Revelation Unsealed" is unique in a number of major areas. It is the first book to approach the text of Revelation from what is termed the Pre-Wrath Rapture perspective. This is the hotly debated view that the church will enter the Seventieth Week, undergo the great tribulation of the Antichrist, and be gathered off the earth before the wrath of God unfolds. This view is presented in a logical scenario, which is then placed within the overall context of the Apocalypse. Also contained is an entirely fresh biblical perspective of the emergence of the Antichrist. Additionally, this book also fully covers the relevance of world events, the amazing track record of biblical prophecy, the fulfillment of the seven religious feast of Israel, the battle of Armageddon, and the Millennial Kingdom of Jesus Christ. All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined. Its contents will challenge both the newest Christian and the seasoned biblical scholar.

**Not Afraid of the Antichrist** Michael L. Brown 2019-03-19 Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading, acclaimed Bible scholars. In fact, they say, Jesus promises us tribulation in this world. Yet this is no reason to fear. In this fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope. God's wrath is not poured out on His

people, and He will shield us from it--as he shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in his victory.

**Revelation** 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**The Layman's Guide to the Rapture** Ian Mann 2016-06-08 IN THIS BOOK YOU WILL FIND THE ANSWER TO THESE QUESTIONS. "Will the church have to endure the time of great tribulation?" "Should we make preparations or rely upon God to take care of us? This book does not contain any secret or heretofore unrevealed truths and there are no special revelations given

only to the author. I simply look at the plainly spoken and universally acknowledged teachings of Jesus and His disciples and I look at the timeless principles of God shown to us throughout the Old and New Testaments. That's why I've called this book the "Layman's Guide." You don't have to be a Bible scholar to understand anything in this book, and you can follow along in whatever version of the Bible you prefer. **FOUR DISTINCT VIEWS ON THE RAPTURE** Pre-tribulation says that the church will be removed from the earth before the tribulation - seven years before the return of Christ. Mid-tribulation says the church will be removed halfway through the tribulation 3 1/2 years before the return of Christ. Pre-wrath differentiates itself by redefining the term "great tribulation" but is really about the same as mid-tribulation without specifying the time. Post-tribulation says the rapture of the church takes place after the great tribulation at the coming of Christ to establish His millennial kingdom. Of these four versions the first three are very similar in that they all say the church will be removed from the earth at some point either before or during the great tribulation. Only the post tribulation view says that the church will remain on earth until the end of the great tribulation. So for all intents and purposes what you really have is two views: pre-tribulation (with variations) and post tribulation. That is how I have addressed them in this book."

**The Pre-Wrath Rapture View** Renald E. Showers An authoritative biblical critique of the recent pre-wrath rapture theory popularized by Rosenthal and Van Kampen.

**A Theology of the New Testament** George Eldon Ladd 1993-09-02 Ladd's magisterial work on New Testament theology has well served thousands of seminary students since its publication in 1974. Enhanced and updated here by Donald A Hagner, this comprehensive, standard evangelical text now features augmented bibliographies and two completely new chapters on subjects that Ladd himself wanted to treat in a revised edition—the theology of each of the Synoptic Evangelists and the issue of unity and diversity in the New Testament—written, respectively, by R. T. France and David Wenham.

**Tribulation Prophecy** John Stoudemire  
2010-03 In this day and age, there are many theories when it comes to the return of the Lord. Author John Stoudermire shares personal prophecies that have been revealed to him. **Post Tribulation Rapture** Roy W. Abernethy  
2008-04 Every person on Earth will one day stand before God and give an account of what they have done, whether it be good or evil, in addition to their acceptance or rejection of Jesus Christ, the Son of God, as their personal Saviour. Whether or not you believe it, Jesus Christ is coming back again to judge the world for their iniquity. That's what God's prophets have said and His prophets have never been wrong! From a pre-millennial viewpoint, "Post Tribulation Rapture" evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man's history. Will there be signs of Christ's coming? Will everyone see Him coming? Does Christ return two more times? What is the "Day of the Lord"? Who are the "elect" people on Earth? When will the Antichrist be revealed? Is the return of Christ imminent? Who will populate the kingdom? What are the three main rapture positions? How do they differ? Who is the restrainer? "Post Tribulation Rapture" includes fourteen detailed charts and an extensive glossary/dictionary defining the most commonly used phrases and terms in Bible prophecy.

**Victorious Eschatology** Dr. Harold R. Eberle  
2020-10-01 A biblically-based, optimistic view of the future. Along with a historical perspective, this book offers a clear understanding of Matthew 24, the Book of Revelation, and other key passages about the events to precede the return of Jesus Christ. **The Rapture Question** John F. Walvoord  
2010-12-21 Now completely revised and enlarged, using quotations from the New International Version -- John F. Walvoord's classic work on the Rapture! The Rapture

Question examines the four views of the church's role in the tribulation: Partial Rapturism, Pretribulationism, Midtribulationism, and Posttribulationism, with the revised edition particularly discussing the current debate between pretribulationism and posttribulationism. In updating his work, the author also added treatments on the Rapture in the Gospels, in 1 Thessalonians 4, in 1 Thessalonians 5, in 2 Thessalonians, in 1 Corinthians, and in Revelation. A bibliography of current literature plus general and Scripture indexes are included.

**The Rapture Exposed** Barbara R. Rossing  
2007-03-30 The idea of "The Rapture" -- the return of Christ to rescue and deliver Christians off the earth -- is an extremely popular interpretation of the Bible's Book of Revelation and a jumping-off point for the best-selling "Left Behind" series of books. This interpretation, based on a psychology of fear and destruction, guides the daily acts of thousands if not millions of people worldwide. In *The Rapture Exposed*, Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible. The truth, Rossing argues, is that Revelation offers a vision of God's healing love for the world. *The Rapture Exposed* reclaims Christianity from fundamentalists' destructive reading of the biblical story and back into God's beloved community.

**Discoveries in Bible Prophecy** Michael Fortner  
2021-09-30 (Slight Update: Oct. 2021)  
This book was originally published in 2013 under the title *Discoveries in Bible Prophecy*, with slight updates every couple of years. But with the latest discovery, the author has decided to republish the book, because he some significant new discoveries. This is a whole new interpretation of Bible prophecy. It shows the Four Horsemen of the Apocalypse have already ridden out during the past 2,000 years of wars, famine, and persecution. The author does not merely make that assumption, he analyzes the text to show what the four horsemen are. We are now in the period of the global birth pains of the earth, and the Trumpet judgments are next. This book proves there will never be a world government ruled by a dictator, but there will be WW3. The author discovered missiles and

rockets described in detail, even the warhead, which is called a "head that kills" with fire, smoke, and sulfur. And contrary to popular teaching, America is in fact found in Bible prophecy, and is a major player, as you would expect. The visions of Daniel also have a new interpretation. The passage in Daniel 9:27 that is supposed to refer to a 7-year peace treaty is being grossly misinterpreted. The original Protestant view of that verse is the correct view. Daniel's vision of the four beasts and the statue with ten toes both show that there will never be a world government. Those passages are not being correctly interpreted. The Bible text never says that the ten toes will rule the world, but only the fourth beast from which the horns come. Likewise, it never says the ten toes will rule the world, but actually says they will break apart. The book also proves that the Jews must convert before Christ will return. Yes, it is plainly stated in the Bible several times! Which makes one wonder how the opposite view could become a popular doctrine. Though this book was not written against the pre-tribulation Rapture, the correct interpretation of Bible prophecy does prove the pre-tribulation Rapture theory is false, which is seen repeatedly throughout the book. The author even found the smoking gun that kills the pre-trib Rapture theory! He even presents a new interpretation of the two witnesses, using the Old Testament the author shows that the symbolic meaning of the two witnesses is Christianity, which is why they cannot be killed until they have finished their testimony, which represents reaching all nations with the Gospel. They will be killed in a global terrorist attack organized by the beast and false prophet. This is Book One in a series of 4. Michael D. Fortner analyzes the text of many Bible passages by examining the Hebrew or Greek, and consulting commentaries such as Barnes Notes on the Bible. He takes the view that the symbols of the Bible have a literal meaning that God wants us to understand, and sites the passage in Revelation 1 as proof that the symbols of Revelation have literal meaning. \*

Proof that the beast comes to power with the 5th Trumpet \* The smoking gun that Kills the pretribulation Rapture \* The United States FOUND clearly several times \* Evidence the Great Tribulation could begin soon \* A new

interpretation of Daniel's 4 beasts \* A new interpretation of Daniel's ten toes \* New discoveries about Daniel's 70th week \* Evidence that the Bride of Christ is not the entire Church \* Proof positive that the beast will NOT rule the entire planet \* Missiles and rockets described in detail, even the warhead And MUCH more.

**Rapture and Revelation** R. G. Brock 2009-10  
 This book is not written for Christians alone, but is written for anyone who desires to know the near future. Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible, which is the most accurate of any book on end time events. With many books on the subject, none are as telling and straight forward as *Rapture and Revelation*. While there are many fears concerning the end times, author R G. Brock embarks on the task to unravel the mysteries of the Rapture and Revelation. While attending Rhema Bible Training Center in Broken Arrow, Oklahoma, R G. Brock had the privilege of being taught by

well-known author and teacher brother Kenneth Hagin, Sr. who has since went home to be with Jesus. After being inspired by one of Hagin's lectures, Brock obeyed his strong urge to write a book on the end times. This heart-gripping treatise will guide you into the truth as you uncover the mystery of the end of times. This book is written to give you a clear incite into the end of this age. The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations. Then in the middle of the 7 year period, the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again. During this time of the last 3 1/2 years, which is called great tribulation, most of the people on the earth will die. However, if you are a Christian you will not go through this terrible time. You will find this book is the most in-depth study on what is called 'the rapture, ' which is the catching away of the Christians to not go through great tribulation, and you will find that it is by far the most in-depth study of 'The Revelation' which shows what will happen during this time of great trouble

*The Apocalypse Code* Hank Hanegraaff  
2010-09-21 The book that Hank Hanegraaff considers his masterwork. "Most of what you've heard, read or been told about the end times is wrong," says popular radio host and best-selling apologist, Hank Hanegraaff. "We have come to accept a wide range of beliefs and teachings about the future, about the ultimate battle between good and evil, about the last days, and about how our world will end. And most of these beliefs and teachings are based on fundamental misinterpretations of what the scriptures really say about the end times." The *Apocalypse Code* helps readers understand what the Bible really says about the end times and why what we believe matters so much in today's world.

Antichrist Before the Day of the Lord Alan Kurschner 2013 Many of us have been told that we will be "raptured out of here before the Antichrist arrives." But what if this is wrong? Is this really what the Bible teaches? In this thought-provoking and freshly examined account on the second coming of Christ, Alan Kurschner traces the key topics and passages, providing compelling biblical evidence that the church will first encounter the Antichrist's great tribulation before Christ returns to rapture his people and judge the world. Jesus warns us, "Remember, I have told you ahead of time" (Matt. 24:25). And Paul cautions us, "Let no one in any way deceive you, for that day will not arrive until the apostasy comes first, and the man of lawlessness [Antichrist] is revealed, the son of destruction" (2 Thess. 2:3). Since Jesus and Paul ominously warn us "ahead of time," should this not be an urgent message the church needs to hear? Are we spiritually preparing our hearts to be "overcomers" for what may soon come to pass? Some topics in the book include: Antichrist's

Great Tribulation, Jesus' Olivet Discourse, Beginning of Birth Pangs, The Apostasy and Revelation of the Antichrist, The Archangel Michael the Restrainer, The Seven Seals, The Rapture of God's People, Celestial Disturbance Event, Sixth Seal Signals Impending Wrath, The Shekinah Sign, "Gather His Elect", The Thessalonian Letters, Where Do Believers Go after the Rapture?, Four Reasons the Rapture Is in Matthew 24:31, The Jewish Remnant Protected for Future Israel, The Day of the Lord that Jesus Knew, Jesus on Back-to-Back Rapture and Wrath, Seventh Seal Pronounces Wrath, Seven Tormenting Trumpets of God's Wrath, Blitzing Bowls and Battle of Armageddon, Key Terms Related to the Return of Christ, Parallels between Jesus and Paul, Proposed Structure to the Book of Revelation, Expectancy Not Imminency, What Did the Early Church Believe? Also included: Kurschner engages his end-time theology (eschatology) of the prewrath perspective with other positions such as pretribulationism, posttribulationism, and preterism.

*The Rapture: A Pre- or Post-Tribulation Event?* Colleen Wandmacher 2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the air, an event Christians refer to as the rapture. He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end-time events. Diligently studying pertinent Scriptures in God's Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us. This book helps the reader to deeply study the Word of God to see the truth. "I've read a large number of books on the rapture debate, and in my opinion, this excellent book is by far the best. While reading this book I felt like my spiritual glasses were being cleaned so I could see the simplicity of the truth of scripture again. Well done, Colleen. Marvelous! Five gold stars from me." "I have read several books about the rapture and end-time prophecy including Pre-Tribulation and Mid-Tribulation, and when I come across this book, it was so clear, logical, and well-written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind

where to stand on the subject of the timing of the rapture at the end time. Really recommended."

**Three Views on the Rapture** Craig A. Blaising 2018-06-26 The rapture--or the belief that Jesus' living followers will, at some point, join him forever while others do not--is an important but contested doctrine among evangelicals. Scholars generally hold one of three perspectives on the timing and circumstances of the rapture, all of which are presented in this important volume of the Counterpoints series, *Three Views on the Rapture*: Alan D. Hultberg (PhD, Trinity International University and professor of New Testament at Talbot School of Theology) explains the Pre-Wrath view. Craig Blaising (PhD, Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary) defends the Pre-Tribulation view. Douglas Moo (PhD, University of St. Andrews and professor of New Testament at Wheaton College) sets forth the Post-Tribulation view. Each author provides a substantive explanation of his position, which is critiqued by the other two authors. A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church. The interactive and fair-minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed, personal conclusions. [Revelation: A Mid-Tribulation View](#) Tan Geok Hock 2014-09-28 Many readers acknowledge difficulty in understanding the book of Revelation. Some avoid it altogether. Part of the problem may be a tendency among interpreters to use prophecies from other parts of the bible, especially the Old Testament, to dictate how we should read Revelation. This commentary treats Revelation as a self-contained and internally consistent work. More emphasis is placed on the natural reading of the text than on similar words and images from other sources. Context and structure take priority over theological presuppositions about the end time. The result is a pleasant surprise. It becomes clear that John organises and develops his thoughts in a systematic way. The visions no longer appear so mysterious when read in this light. It helps us to sieve through the different interpretive approaches that have contributed to our confusion over this book. Whether or not readers

agree with its conclusions, the hope is that this short commentary will help some to no longer feel intimidated by the book of Revelation but to confidently return to it over and over again to be blessed by its message.

**Revelation** Hershel Landers 2022-06-30 Things to know about the Great Tribulation: The Antichrist is not the author of the events in the tribulation. He's manipulating them. Most deaths in the tribulation will not be at the hands of the Antichrist (Rev. 6:8, 9:13-15, 18). Most Christians who die in the Great Tribulation will not be martyred/beheaded (Rev. 6:8, 9:18). The mark of the beast will affect the merchants not the consumers (Rev. 18:3, 11, 15, 21). The consequences for refusing the mark of the beast is not death (Rev. 13:16-17) but restriction from participating in the Antichrist's one-world commerce system wherein all the participants will become rich. One will not be forced to choose between salvation and starvation (Matt. 6:25, 31, 33). A single act of taking the mark of the beast is just as forgivable in the tribulation as tattoos of Satan are today. (See the combination of unforgivable acts of worship in Revelation 14:9-11.) Many will worship the beast or his image or take his mark and be forgiven. It's the combination of those three acts that's unforgivable. (See the same principle in Romans 10:9 as it applies to eternal life.) Those who miss the rapture are not at the mercy of the Antichrist (Rom. 5:20). The word of God and the Holy Spirit are both present during the tribulation (Matt. 24:35; John 14:16-17, 26). Salvation will be just as accessible in the tribulation as it is in the church dispensation (Matt. 18:20, 24:3; Heb. 13:5; Rev. 7:4, 11:3, 14:6). The opening of the seals is not God releasing his judgment in the Great Tribulation but the consequences of humanities accumulated behavior (Gal. 6:7). Satan does not have the authority ability or power to give life to anything (John 10:9-10; Acts 17:25-26, 28). The terms "before the foundation of the world," "predestination," "the Lamb's Book of Life" are all expressing the eternal state. Eliminate either of these conditions or positions from the plane of salvation, and there's no eternal life. These terms are never associated with sin or sinners (Rom. 8:29; Eph. 1:5, 11; Rev. 13:8, 17:8, 21:9, 27).  
*The Pre-Tribulation Rapture* Derek Walker 2020-02-25 This book is about one of the most

dramatic, momentous and glorious Divine Interventions of all time - the Rapture of the Church. Our heavenly Bridegroom, the Lord Jesus Christ, will bring this Church Age to a close by personally returning to fetch His beloved Bride, before waging war on this godless world-system, which has rejected Him as its King, by pouring out His Judgments during the special time period called the Day of the Lord or the Tribulation. This is the prophetic viewpoint known as the Pre-Tribulation Rapture, and it has become an issue of controversy. This book makes the case for the Pre-Tribulation Rapture, revealing it as the consistent teaching of the Lord Jesus, Paul, Peter and John, as well as answering its critics point by point.

*Discoveries in Bible Prophecy* Michael D Fortner 2020-07-27 This book was originally published in 2013 under the title *Discoveries in Bible Prophecy*, with slight updates every couple of years. But with the latest discovery, the author has decided to republish the book, because now there is significant evidence that there will in fact be TWO Raptures. One is just before the 7th Trumpet, and the second is before the 7th Bowl of Wrath, making the Raptures mid-trib and also pre-wrath. Fortner is not the first person to teach two Raptures, but the details are different. This is a whole new interpretation of Bible prophecy. It shows the Four Horsemen of the Apocalypse have already ridden out during the past 2,000 years of wars, famine, and persecution. The author does not merely make that assumption, he analyzes the text to show what the four horsemen are. We are now in the period of the global birth pains of the earth, and the Trumpet judgments are next. This book proves there will never be a world government ruled by a dictator, but there will be WW3. The author discovered missiles and rockets described in detail, even the warhead, which is called a "head that kills" with fire, smoke, and sulfur. And contrary to popular teaching, America is in fact found in Bible prophecy, and is a major player, as you would expect. The visions of Daniel also have a new interpretation. The passage in Daniel 9:27 that is supposed to refer to a 7-year peace treaty is being grossly misinterpreted. The original Protestant view of that verse is the correct view. Daniel's vision of the four beasts and the statue with ten toes both

show that there will never be a world government. Those passages are not being correctly interpreted. The Bible text never says that the ten toes will rule the world, but only the fourth beast from which the horns come.

Likewise, it never says the ten toes will rule the world, but actually says they will break apart. The book also proves that the Jews must convert before Christ will return. Yes, it is plainly stated in the Bible several times! Which makes one wonder how the opposite view could become a popular doctrine. Though this book was not written against the pre-tribulation Rapture, the correct interpretation of Bible prophecy does prove the pre-tribulation Rapture theory is false, which is seen repeatedly throughout the book. The author even found the smoking gun that kills the pre-trib Rapture theory! He even presents a new interpretation of the two witnesses, using the Old Testament the author shows that the symbolic meaning of the two witnesses is Christianity, which is why they cannot be killed until they have finished their testimony, which represents reaching all nations with the Gospel. They will be killed in a global terrorist attack organized by the beast and false prophet. This is Book One in a series of 4.

Michael D. Fortner analyzes the text of many Bible passages by examining the Hebrew or Greek, and consulting commentaries such as Barnes Notes on the Bible. He takes the view that the symbols of the Bible have a literal meaning that God wants us to understand, and sites the passage in Revelation 1 as proof that the symbols of Revelation have literal meaning. \*

- \* Proof that the beast comes to power with the 5th Trumpet
- \* The smoking gun that Kills the pretribulation Rapture
- \* The United States FOUND clearly several times
- \* Evidence the Great Tribulation could begin soon
- \* A new interpretation of Daniel's 4 beasts
- \* A new interpretation of Daniel's ten toes
- \* New discoveries about Daniel's 70th week
- \* Evidence that the Bride of Christ is not the entire Church
- \* Proof positive that the beast will NOT rule the entire planet
- \* Missiles and rockets described in detail, even the warhead And MUCH more.

**Revelation** Geok Hock Tan 2014-10-15 Many readers acknowledge difficulty in understanding the book of Revelation. Some avoid it altogether. Part of the problem may be a tendency among

interpreters to use prophecies from other parts of the bible, especially the Old Testament, to dictate how we should read Revelation. This commentary treats Revelation as a self-contained and internally consistent work. More emphasis is placed on the natural reading of the text than on similar words and images from other sources. Context and structure take priority over theological presuppositions about the end time. The result is a pleasant surprise. It becomes clear that John organizes and develops his thoughts in a systematic way. The visions no longer appear so mysterious when read in this light. It helps us to sieve through the different interpretive approaches that have contributed to our confusion over this book. Whether or not readers agree with its conclusions, the hope is that this short commentary will help some to no longer feel intimidated by the book of Revelation but to confidently return to it over and over again to be blessed by its message

**The Book of Revelation Decoded** Rabbi K. A. Schneider 2017 Understand the connection between the Old Testament and the end times, what to expect during the last days, and how to stand firm in Christ in the face of opposition. Rabbi K. A. Schneider decodes the Book of Revelation, showing how the end-time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets. You will discover how the Passover foreshadows the great tribulation, and what the Hebrew prophets reveal about the anti-Messiah, Armageddon, hell, the return of the Messiah, the millennial kingdom, heaven, and much more. As the world grows darker and darker, many people have a sense of impending doom. This book will teach you what to expect during the last days and how to stand firm in Christ even in the face of opposition.

**Revelation** G. K. Beale 2015-01-02 G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole, as a conscious continuation of

the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of "Suggestions for Reflection" to help readers better grasp the relevance of Revelation to their lives and our world today.

**Eternity in Their Hearts** Don Richardson 2010-10 Startling Evidence of Belief in the One True God in Hundreds of Cultures Throughout the World Has the God who prepared the gospel for all people groups also prepared all people groups for the gospel? Don Richardson, author of the best-selling book *Peace Child*, has studied cultures throughout the world and found within hundreds of them startling evidence of belief in the one true God. In *Eternity in Their Hearts*, Richardson gives fascinating, real-life examples of ways people have exhibited in their histories terms and concepts that have prepared them for the gospel. Read how Pachacuti, the Inca king who founded Machu Picchu, the majestic fortress in Peru, accomplished something far more significant than merely building fortresses, temples or monuments. He sought, reached out and found a God far greater than any popular god of his own culture. And there have been others throughout the world, like him, who've tried to receive the blessing of the gospel. Get ready to be amazed at these intriguing examples of how God uses redemptive analogies to bring all men to Himself, bearing out the truth from Ecclesiastes that God has also set eternity in the hearts of men.

[Understanding End Times Prophecy](#) Paul N. Benware 2006-05-01 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the

judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

**The Pre-wrath Rapture of the Church** Marvin J. Rosenthal 1990 In a readable, informative style, (complete with twenty-five charts), Rosenthal takes a fresh look at the biblical prophecies concerning end-times events and helps us understand what impact they should have on our daily Christian lives.
