The End Cheri Fields 2021-07-27 The future excites our imaginations. Many people seek out ways to find out what's going to happen to them both soon and far later; we even make movies about the world being destroyed. Any worldview system wide enough to shape a whole life has to

answer the ultimate questions of both our beginnings and the far end of history. God knows this and gives us solid answers to both, preparing us for the distant future and helping us shape our lives today. He even presented these answers in a way that has allowed all people in every place and time to benefit. But this means many of us find his predictions of what's coming confusing and scary. This book walks us through the basic biblical texts and ideas to help untangle as many knots as possible, teaching us how to humbly, but boldly, learn to study our Bibles for ourselves. In this study we will take the far end of history in the same way biblical creationists take the beginning: at face value. You will find this book a clear explanation of how futurist, premillennial, prewrath believers interpret the words of Scripture. So, grab your Bible and a pencil and let's dive in!

Revelation Study Guide

(Volume 1) Adrian Rogers
2019-09-18 Of the 66 books in the Bible, Revelation is the only book that guarantees a blessing if you will only read it. It is like the clasp which binds the Bible together. Genesis describes the start of this world, and Revelation explains the end. If Genesis is the seed-bed of all theology, then Revelation offers the fruit of theology.

Revelation N. T. Wright

Faithful and True Greg Carey
2022-01-31 “What in the world are we to make of the dizzying array of grand and grotesque images ‘revealed’ to an early Christ-follower named John? Enter the expert scholar-teacher Greg Carey as the

perfect docent through Revelation’s stunning gallery. Carey orients us to a ‘faithful and true’ focus on the ‘faithful and true’ Christ—a vital corrective to fanciful and false readings of Revelation that remain wildly popular.”—F. Scott Spencer, author of *Salty Wives*, *Spirited Mothers*, and *Savvy Widows* What should modern readers make of the wildly fantastical Revelation to John? New Testament scholar Greg Carey offers an accessible guide to the daunting Book of Revelation, inviting us not to decode every symbol or tame every dragon, but rather to engage the urgent questions of power and loyalty.

Plain Revelation Ranko Stefanović 2013
Because the Time is Near John F. MacArthur 2007-03-01 The end of the world is coming.

From roadside signs to science fiction films, this slogan underscores our society’s nervous fascination with the future. Whether it’s a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the

world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as

he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

is now known, the Apocalypse. The Greek term denotes an unveiling or uncovering—thus, a revelation." "Here is the key to understanding the book. Jesus alone can unlock the meaning of its symbols, visions and descriptions...Christ reveals its meaning. He unlocks its seals. But how does He do it?" The Bible Study Book, a vital component of a group member's discipleship experience, includes optional

Faithful in Persecution: The Church in Smyrna 3. Return to Purity: The Churches in Thyatira and Pergamum 4. Awake from Your Deadness: The Church in Sardis 5. Rumors of wars, earthquakes, pestilence, and signs in the heavens have increased—and many believe that the End of the Age is upon us and a new age is about to be born. While some in power wish to promote that which is contrary to God's Word, believers in Christ must continue to stand for righteousness and boldly speak the truth according to God's

Word. No man knows the day or the hour, but make no mistake...when the trumpet sounds, Jesus will be coming for His children. In *The End of the Age Study Guide*, New York Times bestselling author John Hagee examines the prophecies of the Bible in the context of the events taking place in our world. He reveals how through Bible prophecy, the Lord lays out our future, both in this life and in the life to come. He also shows that we are more than conquerors, called to abundance, confidence, and peace—when we have the knowledge of the truth found in God's Word. *The End of the Age* represents quintessential teaching from John Hagee on Bible prophecy and is a must-read for all those concerned with God's divine plan.
